# Home page

The homepage provides you with 4 boxes from which you can access different areas of the client site. This can be the default login page if you choose it under Profile> Settings.

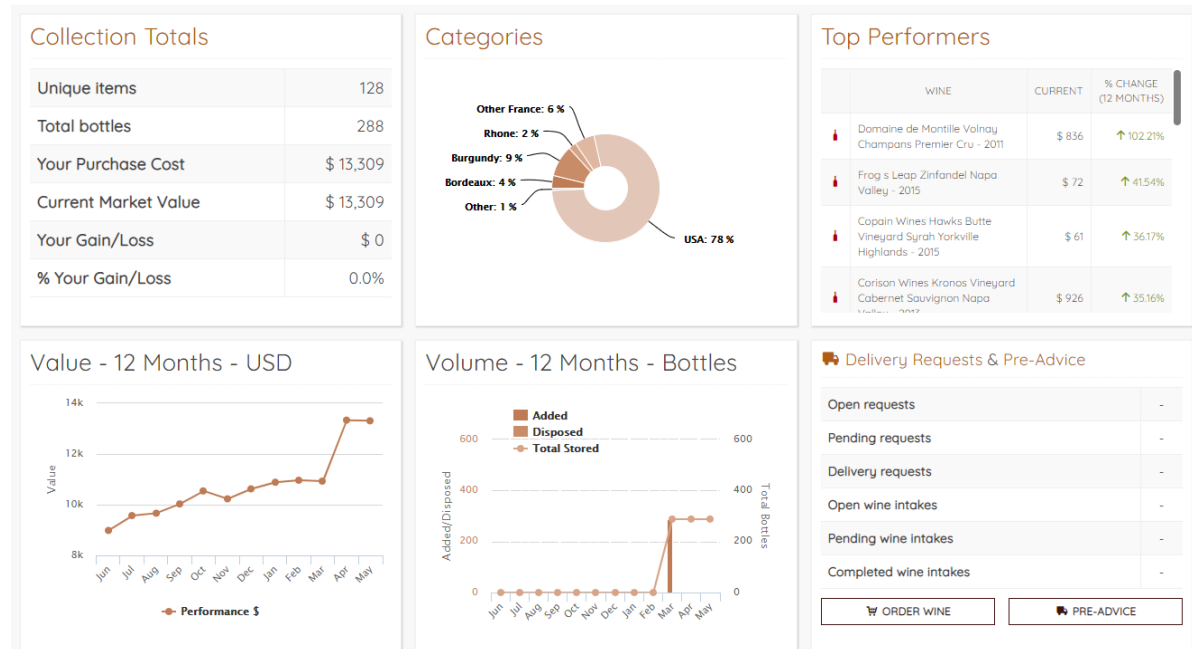

This page consists of the following:

- Cellar Summary
  - Overview - Information on your collection for decision making
  - Portfolio Analysis - Break down of your holdings
- Collection
  - Your bottles - Full list of all your wines tracked on this platform
  - Add bottle - You can add wine into your cellar (only self managed cellar, eg. Home)
- Indices & Analysis
  - Indices - Compare with other wine indices and other financial markets spanning equities and commodities. You can compare any wine with an index
  - Relative Value Analysis - Compare wines in relation to the price per points as awarded by critics
- Buy, Sell & Advisory
  - Buy wines from Domaine
  - Contact Domaine to Offer wines for Sale

# My Overview

This page provides you with aggregated information on your portfolio.

# Indices & stats

## Indices

On this page you can view and compare wine indices against other wine indices or other financial indices.

View Indices

HELP

Domaine Storage runs a number of fine wine indices, with the goal of benchmarking to a representative basket of the world's greatest, most representative and most traded wines.

Once you have selected the wine index you wish to view, you will also be able to compare with other wine indices and other financial markets spanning equities and commodities.

From your wine portfolio, or tracking portfolio, you can compare any wine with an index (as well as other wines).
